11th April 2018

Dear Parents,

Royal Botanic Garden, Sydney

Dear Parents & Guardians,

As part of our Science & Technology unit next term the students will be learning about living things in our school environment.

The Royal Botanic Gardens in Sydney offers opportunities for students to have a hands on experience of exploring living things. They will use a range of methods to identify plants and animals in their environment and create a way to classify them. The students will compare the appearance of adult living things with their offspring and explore ways they can care for living things.

When: Wednesday 9th May 2018

Where: The Royal Botanic Garden, Sydney

Dress: Full *Sports* Uniform

What to bring: School Hat, lunch, recess, and 2 drinks in a recyclable bag (no containers)

Cost: Included in the school based fees

Transport: Transport to and from the venue will be by bus.
The bus will leave Holy Cross at 8.45 and return before 3.15pm.

As the day will commence at 10.20am at the Gardens, **the bus must leave the school at 8.45 am, therefore the students will need to be at school at 8.35 am.**

Please sign and return the permission slip below to your class teacher *by Wednesday 2nd May 2018.*

As we have had to pay for this excursion based on the number of students in Year 1, refunds will not be possible for children absent on the day.

Yours sincerely,
Mrs Hillard and Mrs Merhi
Year 1 Teachers

✂-----✂-----✂-----✂-----✂-----
